- Prairie View Golf Tournament April 11-12

B. EASTER HOLIDAYS

The Easter holidays will begin at noon on Thursday, April 3 (5:00 P. M. for regular twelve months' employees), and classes will resume at eight o'clock A. M. Tuesday, April 8. Regular twelve months' employees will resume work at 8:00 A. M. Monday, April 7. Several Easter Holiday activities are planned during the period prior to closing and for students who remain on the campus.

C. SPECIAL EVENTS IN APRIL

Like the month of March, April is full of special events--too numerous to present in detail here. For those who may be unfamiliar with the special services, mention is made of each.

The Marriage and Family Life Institute will bring many high school students and teachers to the campus, including several outstanding consultants and speakers. The Department of Sociology is sponsor of the Institute.

The Business Clinic attracts business leaders throughout the State to discuss better techniques in this important area. The Business Administration and Business Education Department is sponsor.

The Experiment Station Field Day is a high light activity displaying the fine research work in progress at the Station during the year. This occasion usually attracts many of the neighboring farmers and ranchers, as well as agricultural officials over the State.

Fine Arts Week will feature our several music organizations in special programs. The Dramatic Players are scheduled to present the production, "Medea" on April 28.

D. INTERSCHOLASTIC LEAGUE MEETS

The time has come again for us to entertain the thousands of young people who will visit the campus in connection with the League Meets, scheduled this month. I cannot point out too forcibly the importance of "good public relations" during these activities. There is also a need for one hundred percent cooperation on the part of all the staff in promoting these activities, and I want to call upon each of you for your usual fine cooperation in this connection.

E. THANK YOU

Thanks to all of you who helped in the promotion of our many activities during the month of March. Special mention is made of the League activities, the Educational Conference, Postgraduate Medical Assembly, the Science and English Institutes, and the NHA and NFA Conventions. The success of these activities indicate a great deal of hard work and cooperation on the part of all concerned.

F. NEW ARRIVAL

The college is happy to welcome its newest family member, Darrel Neal, seven pounds, fourteen ounces baby boy, born to Mr. and Mrs. Carl Brooks on March 5. Mr. Brooks is Assistant Manager of the College Exchange.

G. IN CLOSING

Within the school the program has been greatly enriched so as to serve a wide variety of talents and interests. The key to progress and to true accomplishment in the schools of a democratic society lies in the degree to which the public shares with educators the understandings upon which the structure of education rests.

Very truly yours,

E. B. Evans
President

EBE/elh

P. S. Workers' Meeting will be held on Tuesday, April 1, 7:30 P.M.,
Administration Auditorium.
